Facials

Kalahari Skincare Facials

Kalahari Skincare is known as a phyto-effective product range, developed over years of dedicated research by a team of botanical experts and cosmetic scientists. The highly effective formulations contain superior grade botanical oils and plant extracts from Africa that are compounded together with scientific ingredients from well-known international laboratories. Kalahari Skincare provides visible results and is recommended for all skin conditions. Most of Kalahari Skincare products contains more than 65% natural oils & extracts. Kalahari Skincare have not been tested on animals and do not contain Parabens, Sulphates, Derivates, Isopropylene, Glycol, Formaldehyde or Mineral Oil.

All facials include extractions, LED Mask/Collagen Mask depending on skin conditions.

Micro Needling Face & Neck 90min R1650
Microneedling is a cosmetic procedure that uses small, sterilized needles to prick the skin. The purpose of this treatment is to generate new collagen and skin tissue to smooth, firm, and tone skin. Microneedling is mostly used on the face and may reduce the appearance of acne, scars, dark spots, wrinkles, and large pores.

Skin Treatment-Add Ons

Nano Needling 20min R250
